AEROMART

Over the past 20 years,

AEROMART has established itself as the global event for the aerospace industry. Constantly evolving to meet industry demands and unlike other typical aerospace events, *AEROMART connects OEMs and their Tier 1 & 2 suppliers with manufacturers from both civil and defense categories, through a series of individually tailored, one-to-one meetings.*

A unique experience which promises a healthy ROI and a genuine opportunity to meet and network with the entire global supply chain.

AEROMART works hard to bring the right people to you through an outstanding B-to-B platform which programs scheduled meetings with the contact you want to see. From multi-million pound plc.'s to SMEs and start-ups, meet with senior buyers and top quality manufacturers from across the global supply chain.

Aeromart Toulouse is for us...

“...a great opportunity to meet with companies that we don't know of”

“... an opportunity to pass messages to the supply chain all over the world”

“...a very useful “tool” in order to meet a lot of companies”

“... for us Aeromart is scheduled two years in advance”

“...Aeromart gives us the chance to take the pulse of the aerospace market”

“... Aeromart generates meaningful meetings that will lead to concrete action and new contracts”

“...an absolutely essential event for us”

“...an opportunity to meet tier-1 suppliers and primes to discuss procurement policies”

“...helped us to meet the right contacts”

“... the international representation at Aeromart Toulouse is amazing!” *

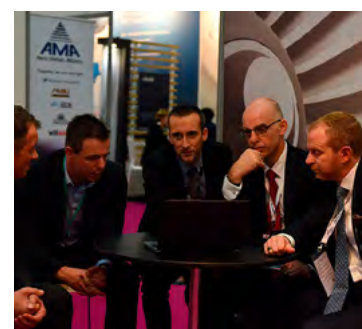

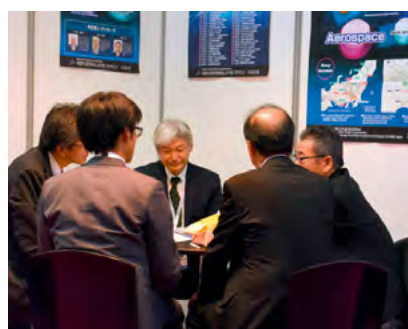

“...Aeromart helps us to have a very interesting market insight and investigating new business”

“...Aeromart is the ideal platform to develop our suppliers”

“... a key chance to meet global supply chain players”

“...Aeromart is very much a community of suppliers and buyers”

THE GLOBAL PLATFORM THAT BRINGS TOGETHER THE ENTIRE AEROSPACE ECOSYSTEM

ONE-TO-ONE MEETINGS

Bespoke **one-to-one meetings** with the contacts of your choice gives AEROMART the edge over other aerospace events. Through an outstanding B-to-B platform, AEROMART **brings the right contacts to you in pre-organized scheduled meetings**. With the global aerospace supply chain on site, meet with international companies and contacts from all over the world in just 2 days with minimal expense and organizational constraints. Network with the entire global aerospace supply chain in **tailored one-to-one meetings**.

A one day high level conference devoted to innovation and the supply chain & procurement policies of large OEMs. A chance to learn from senior industry professionals and join the debate. In previous years of AEROMART, the summit heard from: **Airbus Group, Boeing, Bombardier, Safran, Groupe Latécoère, Dassault Aviation, Thales.**

Co-organized with:

1,300
companies

3,000
participants

16,000
BtoB
meetings

countries

CONFERENCES & WORKSHOPS

AEROMART Toulouse offers a **must-attend conferences program**. These are excellent opportunities for professionals to share experiences and better comprehend the market scientific, industrial, technical and commercial evolutions.

How are the meetings put together?

1. Companies are asked to fill out a short form **describing their capabilities, applications and requirements**
2. Through the **online platform**, **select/request meetings with relevant contacts**
3. **Approve/refuse meeting requests**
4. **We take care of the rest**, **companies receive their individually tailored meetings schedule!**
