AEROSPACE VALLEY SUPPORTS YOU ...

Grow contacts, keep up with the latest news of your sector, foster the emergence of innovative projects, label your project, identify technological expertise, finance an R&D project, obtain private financing, develop internationally and on new markets...

BOOST YOUR INNOVATION STRENGTH !

Make the most of the cluster's support throughout your innovation journey.

1

EMERGENCE OF INNOVATION PROJECTS

- Participate in brainstorming sessions and find new ideas for your activity
- Benefit from support in structuring your project
- Stay regularly informed thanks to «Financez vos projets» newsletter

TO TAKE IT
TO THE NEXT
LEVEL

- Benefit from the expertise of Aerospace Valley to develop in-house innovation challenges and hackathons.
- Boost the growth of your start-up with District by Aerospace Valley accelerator.

2

SUPPORT FOR THE FUNDING OF YOUR PROJECTS

- Make the most of a monitoring of regional, national and European public funding opportunities and of a decryption by the Cluster's experts, who will guide you towards the most suitable system
- Get backup in your search for private funding to support your development projects through innovation

TO TAKE IT
TO THE NEXT
LEVEL

- Strengthen your application to public funding thanks to coaching by the Cluster's team

3

LABELLING OF YOUR PROJECTS

- Increase your chances of success by labelling your projects. This evaluation by your peers, via a labeling committee made up of companies and laboratories in the sector, will give your projects greater visibility, particularly with innovation funders

TO TAKE IT
TO THE NEXT
LEVEL

- The label is recognized as a guarantee of quality by national and regional funders. Being supported and labelled by Aerospace Valley is doubling your chances of success and access to funding for your innovation project.

MULTIPLY YOUR CONTACTS AND INCREASE YOUR VISIBILITY

- Participate in events organized by the Cluster (over 120 events per year) including networking meetings, theme-based days, webinars, and Forum by Aerospace Valley, InnoDay by Aerospace Valley...
- Make the most of the notoriety of the Cluster's digital directory to leverage your position as an expert in your field
- Share your latest news and successes across the Cluster's communication channels: social media, newsletter, website, collaborative platform Connect by Aerospace Valley, etc.
- Benefit from the Cluster's brand guarantee enabling you to feature the "Member of Aerospace Valley" logo on your communication tools

TO TAKE IT
TO THE NEXT
LEVEL

- Enjoy the benefits of participating in one of the collective stands at shows or conventions.
- Become a partner of events organized by the Cluster in affinity with your subjects to reach your targets.
- Promote your company thanks to the turnkey webinars of the "One Hour With" offer.

POSITION YOURSELF AS AN EXPERT ON YOUR TOPICS

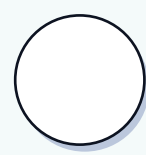

- Meet with a sector expert during an on-site visit at your company
- Take part in the technical workshops and webinars organized by the Cluster
- Be an active member in technical communities across the Cluster's collaborative platform Connect by Aerospace Valley
- Become an activity pilot in your Ecosystem of Excellence to meet the challenges of the industry and serve the three strategic sectors

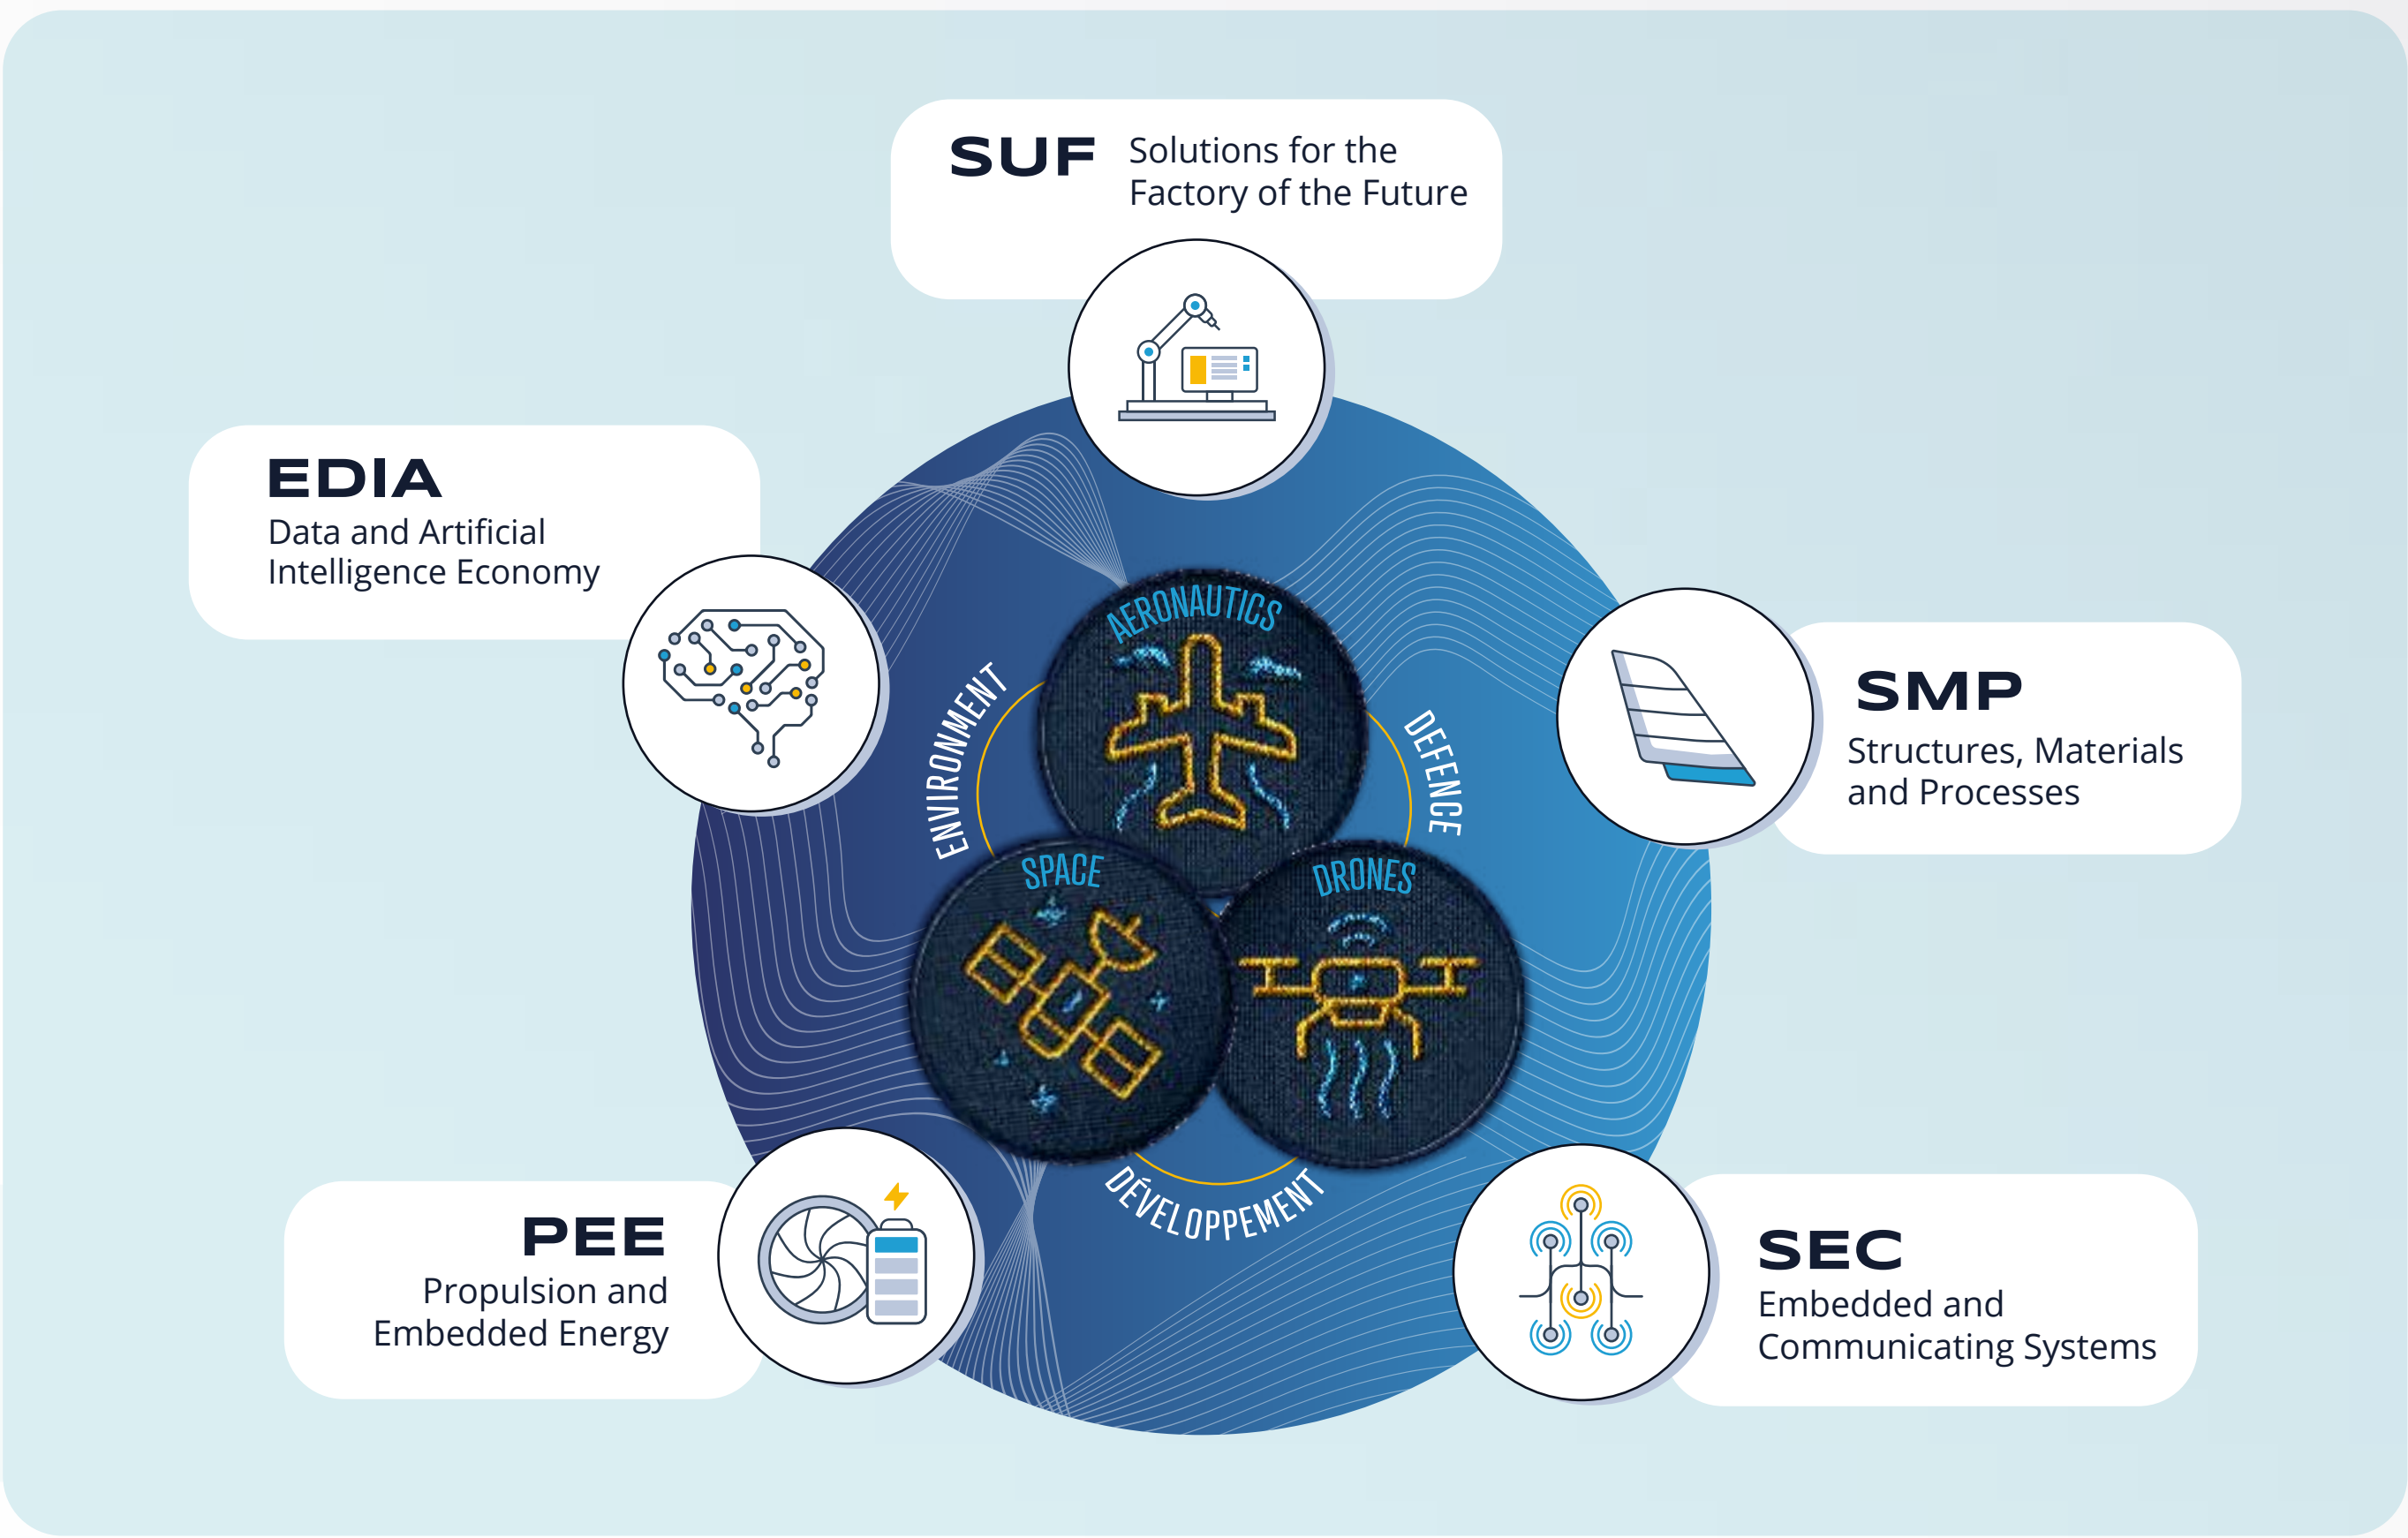

STRATEGIC
SECTORS

TRANSVERSAL
TOPICS

ECOSYSTEMS
OF EXCELLENCE

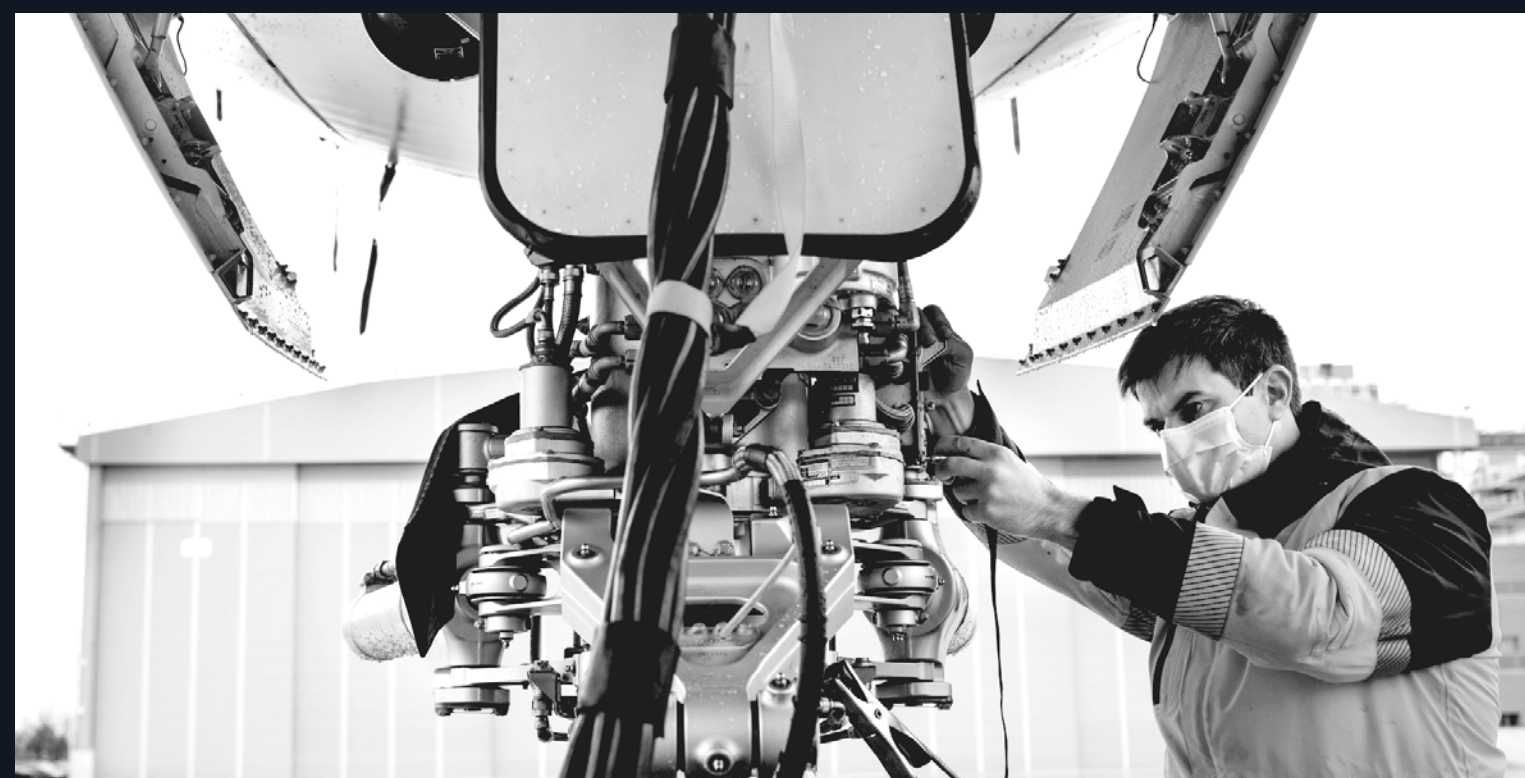

GROW INTERNATIONALLY AND DEVELOP ON NEW MARKETS

- Enjoy personalised advice from our experts in order to be part of the key events of the year
- Access new markets (defence, new and renewable energy, mobility, environmental transition,...)
- Benefit from the Cluster's European and international network for more contacts and enjoy support to strengthen your export activities
- Meet foreign delegations for new opportunities

TO TAKE IT
TO THE NEXT
LEVEL

- Apply to participate in collective actions related to foreign countries (Pool of SMEs, VIE,).
- Collectively be part of international business events.
- Support your growth and international development through training engineering.
